7. Selection Criteria
 - A. Freshmen take priority.
 - B. Korean language Institute students, Undergraduate and Graduate students good GPA take priority (On the basis of GPA of 2019–2 semester)
 - C. We give preference to students who help to manage international students.
 - D. If you got more than 15 points from 2020–1st semester dorm_penalty, you can not apply for dormitory.
8. Important things
 - A. Among three dormitories (Green village, Baekhak Dormitory, and Global House), Green village accommodates more students than Baekhakhaksa and Global House. So, if Baekhakhaksa or Global house is full, the applicants who apply for Baekhak or Global house can be assigned to Green Village.
 - B. According to the Covid-19 response of our Univ., the Green Village dormitory can be used as an isolation room from mid-August to late September. Therefore, students who will live in Green Village will be assigned to another dormitory and will be reassigned to green village at the end of Sep. or at the first week of Oct.
