English name (passport name):

- Studying abroad:  Korean language course  Exchange student  undergraduate  graduate school
- Student ID:
- Alien registration number:
- Phone number:

1. I will actively cooperate with school policy related to Corona 19 to prevent the spread of infections in Korea and will pay fully all the costs incurred by self-quarantine (about 500,000 won to 600,000 won).
2. I will comply with the arrival and self-quarantine schedule guided by the school and pledge to accept any disposition if not complied with (including claims for damages and judicial proceedings).
3. Before entering Korea, I will make a contactable number (phone number) in Korea and report it to the manager in charge before entering the country." (Method: Roaming local mobile phones, opening domestic mobile phones immediately after arrival)
4. If I do not submit my flight ticket within the submission period, I agree to extend my leave of absence automatically.
5. In the case, I can't go back to Korea due to no flight ticket, If the school is converted to an online class in September 2020, I can maintain a register. however if it is converted to a face-to-face class before the first quarter of the classes (2020. 9. 25), and I still can't come to Korea, I agree to automatically take a leave of absence.
6. In case that I do not self-quarantine in the designated place, I will report the temperature check to the manager in charge every day for 14 days, refrain from going out during the quarantine period, and prepare foods consumed for the period before entering the country. If this is violated, I agree to be charged with a complaint (not more than one year in prison or 10 million won in fines) in accordance with the relevant laws of the Korean government and the Gwangju Metropolitan Government. In addition, If the diagnosis results in a positive result after violating the measure, I will pay full medical expenses and face sanctions such as a claim for compensation for expenses incurred in quarantine.

Date: 2020. . .
