## ■ Covid 19 response and action

- The schedule and method of academic operation for the 2020-2 semester can be changed depending on the situation of Corona 19 and guided through school bulletin boards and text message guidance services.
- If it is difficult for a student to participate in a class (including a test) due to the Corona 19 situation, the teacher in charge receives a statement of reasons from the student and keeps it, and replaces the class (test) with assignments, etc.
- The situation of disinfection, disinfection, and heat check in the relevant building and classroom is carried out by the university headquarters in cooperation with the relevant departments.
- Keeping social distance and complying with Corona prevention rules when conducting classes
