GWANGJU

Transportation guidebook only for you

The Beginning of project

Hi, everyone. We are TEAM “Way,foreign” affiliated to **SK SUNNY Univ volunteers called SUNNY Social Change Challenge Project** specially working in Gwangju/Jeolla province.

It is Gwangju Metropolitan City that has well-established systematic transportation system. However, despite of these merit, foreigners have not been enjoyed benefits because they are far from related information.

We, TEAM “Way, foreign” face the problems directly.

To make it better, We set the objectives that minimize the inconvenience experienced by foreigners through providing guidebooks.

This guidebook contains not only public transportations but wide range such as taxi, train and express bus. Also we inserted basic information about each of them with some tips and precautions. Therefore, we assure that will help foreigners who are using traffics in Gwangju.

City bus

City bus

It circulates inside Gwangju

Buses in Gwangju is divided into 4 types: express(red), blue bus, yellow and green bus and additional village buses are.

01

City bus
division

RED BUS

Stop only at designated places.
Thus very fast.
Bus numbers are (01~09)

YELLOW BUS

It moves from one to other places.
Far between bus stop distances.

GREEN BUS

Running allies that designated regions
Operating short distances among villages

SEAT 02 bus

Seat bus is more expensive than other bus but offers individual seats so that everyone is provided with personal seats. You should be careful when taking seat bus because we getting in and off either in front of the bus entrance. Thus card readers are also located in forward. Unlike other areas, it is impossible to tag card to entrance card reader for getting off in Gwangju. Don't confuse it. You should find another card reader when getting off different from entrance card reader.

Village bus ※ bus number starts with "7**"

Transfer benefits are equally applicable in village as other city bus. buses. Thus it is sometimes regarded as city bus because of this point. Currently it is conducted in Nam-Gu, Buk-Gu and Gwangsan-Gu. Specially It does its own roles in Gwangsan-Gu covering lots of populations.

Transfer and Etiquette

What is traffic Transfer?

It means you transfer from one transportation to another one.

Transfer acceptance criteria

Among city bus-subway-village bus, Transfer should be conducted within 30 minutes.(no limitation of transfer number)

Transfer method

Please tag your transportation card to card reader when you get off the bus

Pre-caution

- One person per one card principle.
- Impossible to transfer between same kind of transportation.
(Subway→subway, 01BUS→×01BUS, 01BUS→45BUS→×01BUS etc)
- It means even if you take bus and subway, getting bus again is not capable. Briefly, You can't transfer the later bus.
- Also impossible if money lacked.
- When using cash, you can't either. Because transfer is put into practices in card reader. Thus, it can't read cash.
- When you transfer to Seat bus, the remained fare money will be charged. Because Seat bus is more expensive than city bus, The government office only provides city-bus fare.
- There is no discount on the transfer of Gwangju public transportation and also buses from villages (if the origin and destination are in Gwangju).

Bus etiquette 10

1. Refrain from using phone as possible as you can
2. Don't try to hold starting bus

버스 단말기에 아래와 같이 모바일티켓 QR코드를 대세요.

Regular buses often need to issue mobile tickets before boarding, but superior and premium buses can be accessed directly via mobile code. At this time, you have to scan the QR-CODE to the code-reader

All of express bus take a rest after driving half of its total running time. Thus, at least one opportunity to visit resting stop for 15 minutes. It is regulation so should comeback in given time. Check your bus number as lots of express bus are gathering.

02

Express bus Seat separation

There's three types in express bus: Premium bus, superior bus and regular bus.

1.Regular bus

Seats are located two each sides and the lying angle of seats are limited.

But cheapest one.

2. Superior bus

Only three seats in horizontal line. Thus secure wider space and lying angles are larger. It is most frequently operated among buses.

3. Premium bus

It operates only 21 seats reducing 7 from regular bus. Thus each seats are securing wider space and producing maximum lying angular 160° which never affected by other passengers. Individual wireless phone chargers, personal curtain and table even AVOD are offered. As many benefits it has, require expensive charge almost doubled price of a regular bus. By the way of gossip, regular bus and superior bus are painted red, while premium bus is gold representing individual golden prestige.

Inter-city bus
Reservation alteration and cancelation-
Through the app

Inter-city bus reservation alteration and cancelation

If you need alteration or cancelation, go to app and follow this steps:
'Bus reservation>search/cancel/alter'

※ Cancellation fee can be imposed. Or existing discount amount may change when you cancel.
You can make certain circumstantial rules at following contents.

Inter-city cancellation fee

Division	Canceled time	Fee
Tickets(co ntaining mobile one) After issue After reserve	Two days before it sets off Ticket issuing time(exclude issues after reservation) standard Within 1 hour or within 1 hour from your reservation	None
	One day before it leaves~ 1 hour before it leaves	5%
	1 hour before it leaves ~ just before it starts	10%
	~Up to 6 hours it operates	30%
	After it runs 6 hours ~ (Mobile tickets are automatically canceled after 6 hours)	100%

Precautions about reservation (Time) alteration

- Make it through the button in the app "Alteration > Time alteration"
 - In this case, pre-reserved automatically canceled and new deal is made.
 - Time change is possible both one-way or round-trip reservations.
 - Feasible simultaneously to change Seats and number of tickets
 - Refund of 'pre-reserved ticket' takes at least 3 days and goes almost 5 days.
 - Discount benefits applied to pre-tickets disappear as you deleted pre-tickets. Thus, you should receive discount again in alterations. Discounts vary with time, number of tickets, seats.
 - Already discounted tickets are not available to change.
- * discount : pre-reserved , group reserve, round-trip discounts etc.

Precautions about change (the number of) reservations

- ✓ Click "change > change in number" . Remember that reducing its numbers is possible ONLY.
- ✓ It also works only one-way reservation not round-trip. If you want to change round-trip reservation, cancel the whole and try to reserve again.
- ✓ As the number of tickets are changed, prices also different. That means pre-reservation would be cancelled and you should try to charge again.
(ex, to change the number of tickets 5 to 4, cancel the price of 5 tickets then pay for price of 4 tickets.)
- ✓ It took 3~5 days to proceed your refund.
- ✓ It is impossible to change date, time and seats when reducing the number of tickets.
- ✓ If need to change bus time, you can change through mobile app 'change time' button.
- ✓ If you need to change the seat of the reserved ticket, you can cancel the entire ticket and rebook.
- ✓ Keep in mind that discount benefits can be changed if reduce the number of tickets.
 - Tickets applied to pre-discount benefits would maintain its benefits as it is.
 - It may not apply discount to group discount tickets because of reducing numbers.
- ✓ Discounted tickets are out of changing numbers/time.

Q&A

Inter-city app

Q&A session

Q. Until when I can reserve tickets?

- A. It doesn't set the deadline so flexible on each buses. The entry of the bus operating information is handled by the departure terminal.
Generally, the information after one month is entered and operated as of the current date When your app shows the sentence 'No available for inquiry', inquire to departure terminal.

Q. Why is the seat different from the seat designated when booking a ticket?

- A. The seats placement you saw when reserving tickets are common design which most of buses are having. Thus It can differ from your screen and real seats arrange.

Q. There was an error making the reservation, so I chose to make the reservation again. However, I can't choose that seat, is it booked?

- A. It regulates to prevent you from booking the same seat at the same time. If you select a seat on the seat selection step at the time of booking, the function (seating point) is applied to block that seat for 5 minutes, whether the reservation is complete or not. Thus your desire to that seats are strong, try again after 5 minutes. You can confirm your reservation at the 'reservation inquire

Q. Let me know how to cancel issued ticket.

- Refund of issued tickets are only available at the departure terminal.
- Departure date, time and seats, number of tickets are changeable and additional fees can be imposed along with cancellation fees and deposits policies.
- If you don't issue your ticket until the bus start, it automatically cancelled. Cancellation charge is cutting off 100won.

Wait! What is taking back?

Make it useless if you don't issue your tickets or cancel until the bus leaves.

Superior inter-city bus discount benefits

There's special discount policy for superior inter-city bus users. It is only corresponding to adults and simultaneous discount to other benefits are impossible. Teenagers and childhood are already discounted through legally so duplicated discounts are not available.

Kinds of discount	Discount rate	Service at
Pre-reservation	-10% discount of original cost	- Internet/mobile
Group reservation	-10% discount of original cost	- Internet/mobile
Round-trip reservation	-10% discount of original cost	-Internet/mobile

- Pre-reservation : at least 2 days before bus leaves
- Group reservation: from 5 to 10 people reservation
- Round trip reservation: came back with same route.

Platform

There's several platforms divided by arrivals. Thus you can find your ways through categorized platforms. Yours are written in ticket.

The screenshot shows a bus ticket app interface. At the top, it says '출발일시 모바일 예매' and '2020. 9. 25 (금) 06:30'. Below that, it shows '생년월일 200925' and '전화번호 010-2026-****'. A red box highlights a warning message: '무인발매기 또는 창구 발권 필요' (Needless to say, you need to use a self-service ticket machine or a counter to purchase tickets). Below this, it shows '출발지 목포' and '도착지 광주(유·스퀘어)'. At the bottom, there is a table with columns: '소요시간' (1:00), '등급' (우등), '승차권' (4), and '좌석번호' (15). A red circle highlights the number '4' in the '승차권' column, and a red arrow points to it from the word 'Platform' written in a red box.

KTX

KTX: Korean Train Express.

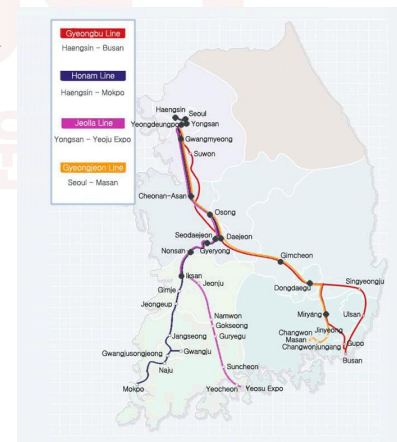

01

KTX

What is KTX?

It is KTX that connects Seoul and other southern regions with railroad. It takes only 2 hours and 18 minutes from Seoul to Busan and for the other regions, time would shorten. Tickets are available at agencies, KTX homepage, station or app.

Movable regions with KTX >

Approximate charge information

철도	노선	월~목요일	금~일요일/휴일
경부선	서울(서울역)/부산	43,000 ~ 53,700 원	46,500 ~ 57,700 원
호남선	서울(용산역)/광주	36,900 원	39,700 원
호남선	서울(용산역)/목포	41,600 원	44,700 원
경전선	서울(서울역)/마산	48,600 원	52,300 원
전라선	서울(용산역)/여수엑스포	42,800 원	46,000 원

Where you can take KTX

You can use KTX 'Gwangju Song-Jung station' at Gwangju. You can use not only KTX but SRT and slower train called train 'Mu-Gung-Hwa' to travel other regions.

KTX vs SRT vs train Mu-Gung-Hwa

When you have enough time but scarce money > train Mu-Gung-Hwa (Song-Jung-Young-San period, takes quarter past four / charge:22,300won)

Moving fast to other regions> Highly recommends KTX,SRT (KTX: Song-Jung-Yong-San period, takes about 2 hours / charge: 46,800\)

(SRT: Song-Jung-Seo Period, takes about 2 hours/ charge: 40,300won)

Cancel regulation

<Before taking off>

- Mon~Thursday : free 3 hours before it leaves
- Mon~Thursday : from 3 hours before ~ right before it leaves 5%
- Fri~Sunday, holiday: 400won charge 1 day before. (gives a reduction when cancel until 7 days)
- Fri~Sunday, Holiday ~3 hours before it starts 5%
- Fri~Sunday, Holiday from 3 hours before ~ right before it sets off 10%

Royal seat vs Regular seat

Royal seats characteristics are more comfortable and high prices. As it expensive than other seats, it has single seats wider space whereas others commonly double-seats. Further, Amenity kits are provided to KTX royal seat users containing some cookies, nuts and issues and sleeping eye patches are optionally available.

Standing seats reservation.

Open the Korail Talk app, you could buy it only if designated seats sold out, You can purchase at station ticket office, automatic ticket machine or Korail Talk.

Q. I lost my ticket!

A. Steps in re-tissuing ticket

1. Notify your lost to ticket office staff and let them know basic information such as your membership number, cash receipts, phone number.

(It is also possible even though you reserved as a non-membership if you know name and phone number of reserved person)

2. Pay again that price.

3. Request crew sign in train that proves lost ticket is not used in train.
(If you don't have that sign, you can't get refund at arrival station)

4. Get refund your lost ticket price except 400 won fee.

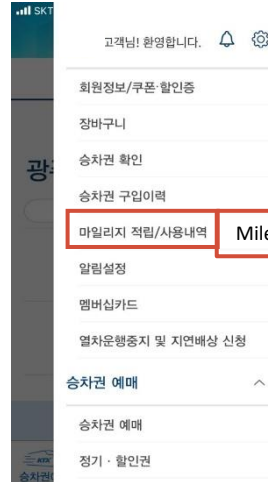

If you lose your ticket, you will not be able to ship, change, or return the ticket. If it is confirmed that you purchased a ticket by membership, credit card, etc., you can reissue the ticket.

Even if it's a ticket issued at the station window, standing seats and free-seat tickets will never be reissued if you lose. Further, even if it's a paper ticket with a seat number, it can't reissue unless you don't get a cash receipt or you don't accumulate a mileage with your membership number.

Q. Are there Mileage policy in KTX?

Mileage saving/using breakdown

You can accumulate 5% of the settlement amount sometimes even near 10% when using KTX. Please refer that significance under ticket price, (㉠5% save or 10% save) However, you will not earn mileage both if you use KTX, which is sold at a discounted price and is not sold at a regular price and for tickets purchased as travel packages.

Where to use mileage?

1. You can discount KTX ticket through mileage.
(Refer the left picture.)

2. You can use that mileage at the store.
Where train stations operated by Korail

3. Sometimes you lost it or unavoidable circumstances, continued to refund with cancel fee which can be deducted from the KTX mileage. When requesting the return of the ticket, select 'Is the refund fee used as a mileage' to use it.
