< Dealing with disabilities in class registration >

▣ **Class registration disability type**

1. Edge, Internet Explorer, and other browsers (Chrome, Firefox, etc.)

※ Internet Explorer will not be available after June 14, 2022

2. Enable Pop-up Blocker

3. installing course registration program

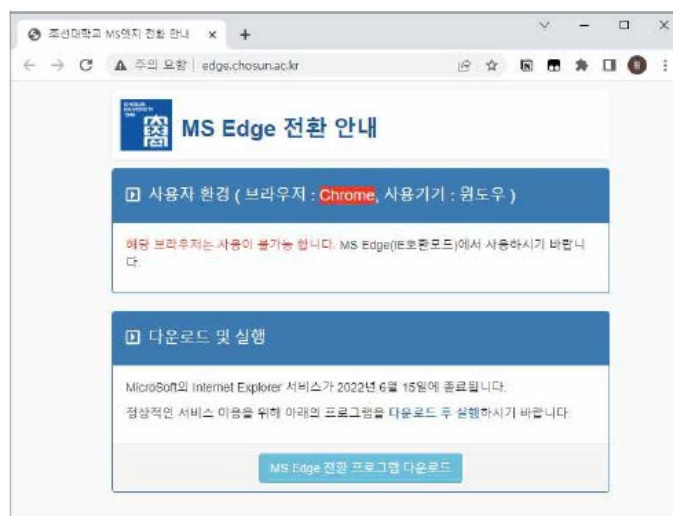

1. Checking your browser

Microsoft Edge(★)

Internet Explorer: Not available after June 15, 2022

※ Browsers such as Chrome and Firefox are not available.

How to run a comprehensive information system in an Edge browser

=> Execute Edge Switching Program at Chosun University (htttp://edge.chosun.ac.kr)

=> Download and run the MS Edge transition program at the bottom

=> Automatic guidance when accessing the comprehensive information system (first installation is executed)

2. Disable Pop-up Blocker

▶ Microsoft Edge (Edge)

Settings->Cookie and Site Permissions>Popup and Redirect->Add Permitted Sites: wing.chosun.ac.kr
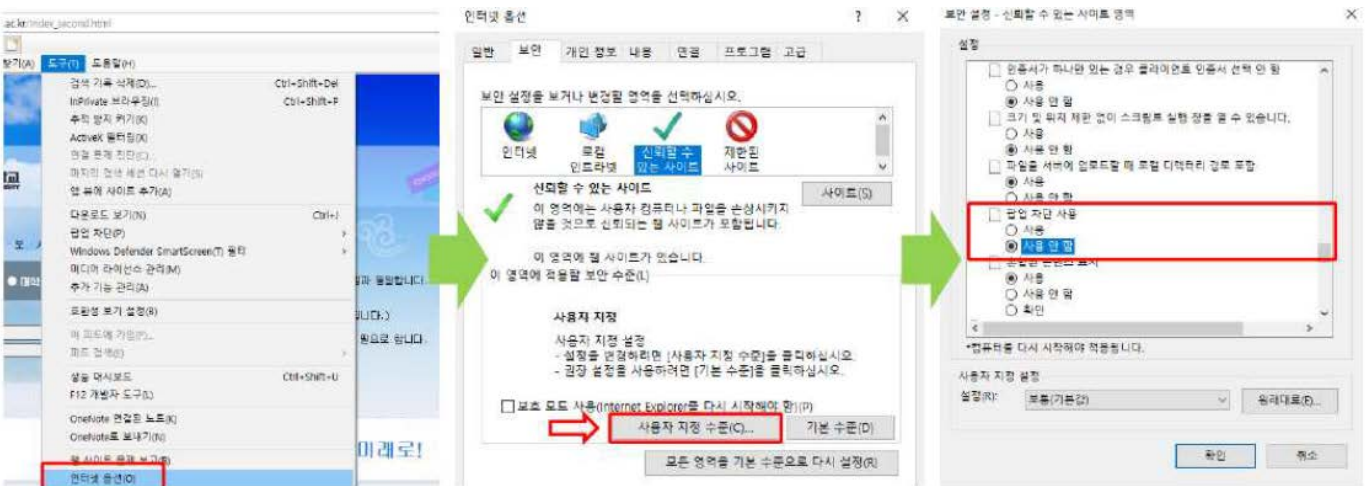

▶ Internet Explorer

(Method1) Tool (alt+t+o)->Pop-up Blocker-> Pop-up Blocker Off

(Method 2) Tool (alt+t+o)->Internet Options->Security->Custom Level->Enable Sales Blocking->Disable

3. Error installing course registration program

- Manually download and install the **Toinb Component** of the course registration program from the login screen of the comprehensive information system
