1. The Stipendium Hungaricum Scholarship Programme

1.1. Mission of the Programme

Hungary provides high quality education with a safe and friendly living environment in the heart of Europe. Hungary is also within the top countries with the highest number of scientific Nobel Prize Winners per capita and numerous scientific inventions from Vitamin C to Rubik's cube and so on.

The Stipendium Hungaricum Scholarship Programme was launched in 2013 by the Hungarian Government and is co-ordinated by Tempus Public Foundation since 2015. The programme is based on bilateral educational cooperation agreements signed between the Ministries responsible for education in the sending countries/territories and Hungary or between institutions. Currently more than 70 Sending Partners are engaged in the programme on 5 different continents, and the geographical scope of the programme is spreading each year. The scholarship scheme aims to satisfy the growing demand of international students to study in Hungary, producing increasing numbers since the launch of the programme, and also supporting the overall internationalization of Hungarian higher education.
Since 2013, the number of Stipendium Hungaricum scholarship holders has grown significantly, at the same time increasing the ratio of self-paying international students in Hungarian universities. Between 2013 and 2019, the ratio of international students studying in Hungarian higher education institutions has doubled , and the ratio of Stipendium Hungaricum scholarship holders among them has quadrupled. As a result, the number of study programmes taught in foreign language(s) has tripled in Hungarian universities since 2015.

The number of both Stipendium Hungaricum applicants and awardees is continuously increasing, as well as the number of available scholarship places. In 2020, more than 35 0000 applications were received and more than 5000 scholarships were awarded, showing that since its launch, the Stipendium Hungaricum scholarship has become a programme of excellence.

The Programme is managed by the Ministry of Foreign Affairs and Trade and co-ordinated by Tempus Public Foundation.

1.2. Available Scholarship Types

1.2.1. Study Levels

Stipendium Hungaricum scholarships are available for bachelor's, master's, one-tier master's, doctoral, and non-degree programmes (preparatory and specialisation courses). **Please note that this Call for Application is for bachelor's, master's, one-tier master's and non-degree programmes only**. Please find the Call for Applications for doctoral level here.

Important note: applications are only accepted for bachelor's, master's, one-tier master's and non-degree programmes OR for doctoral programmes; therefore please consider carefully your selected programme(s).

Available Scholarship Types		Duration		Qualifications at the end of programme		Available study modes
		full time	partial (exchange)	full time	partial (exchange)	
Degree programmes	**Bachelor programmes**	2-4 years	1 or 2 semesters	BA or BSc degree	certificate of completion	full degree and partial (exchange)
	Master programmes	1.5-2 years	1 or 2 semesters	MA or MSc degree	certificate of completion	full degree and partial (exchange)
	One-tier master programmes	5-6 years	1 or 2 semesters	MA or MSc degree	certificate of completion	full degree and partial (exchange)
Non-degree programmes[1]	**Preparatory course in Hungarian language**	1 year	-	certificate	-	full degree
	Specialisation courses	up to 1 year	-	certificate	-	full degree

Note about one-tier master's programmes:
In the Hungarian education system, one-tier master's programmes cover both the bachelor and the master level of studies; therefore, it is an undivided master programme that results in a master degree. These one-tier programmes are offered in specific study fields such as general medicine, pharmacy, dentistry, architecture, law, veterinary surgery, forestry engineering, etc.

1.2.2. Study Modes

Both full degree and partial (exchange) study modes are available, in accordance with the relevant bilateral educational cooperation agreement. Full degree programmes are programmes that lead to a bachelor's, master's or doctoral degree. One-year programmes do not lead to a degree but provide a preparatory course before a degree programme or a specialisation course after a degree programme.

Partial (exchange) studies are one- or two-semester long exchange studies that are part of the students' degree studies in their sending higher education institutions. Therefore, those who apply for partial (exchange) studies must be registered in and must have a student status at a higher education institution that operates outside of Hungary. In case of partial (exchange) studies, applicants can only apply to those study levels (bachelor's, master's) that they are attending in their sending, home institutions. Partial (exchange) studies are not available for preparatory and specialisation courses. Partial (exchange) studies are available for up to one academic year and cannot be extended.

Please be <u>extra cautious</u> when selecting your preferred study programmes in the online application system as most of the study programmes are offered both as full degree and partial study programmes; therefore, those programmes appear twice. Please make sure that you select the

programme marked with the study mode of your desire, because it is not possible to change the study mode after submitting your application!

1.3. Provisions Covered by the Scholarship

- **Tuition-free education**
  - exemption from the payment of tuition fee
- **Monthly stipend**
  - **non-degree, bachelor's, master's and one-tier master's level:** monthly amount of HUF 43,700 (cca EUR 120) contribution to the living expenses in Hungary, for 12 months a year, until the completion of studies
- **Accommodation contribution**
  - free dormitory place or a contribution of HUF 40,000/month to accommodation costs for the whole duration of the scholarship period (Please note that if the student does not live in the dormitory, the HUF 40,000/month is a contribution to that rental costs, and in bigger cities – especially in the capital city – this contribution would not cover the full amount of rental costs.)
- **Medical insurance**
  - health care services according to the relevant Hungarian legislation (Act LXXX of 1997, national health insurance card) and supplementary medical insurance for up to HUF 100,000 (cca EUR 275) a year/person

It means that it **does not fully cover all the costs of living** and the students need to add their own financial resources in order to cover all living expenses in Hungary. All applicants are highly advised to check the expected living expenses both in Hungary and in the city that they wish to live in before applying; please do check our Cost of Living Calculator by clicking here: http://www.studyinhungary.hu/living-in-hungary/menu/your-costs-of-living.html

2.2. Non-eligibility

Applications will not be considered in the following cases:

- **Hungarian citizens (including those with dual citizenships), persons granted a refugee status (“menekült”), persons enjoying temporary protection (“menedékes”), persons admitted for subsidiary protection (“oltalmazott”) and persons granted humanitarian protection (“befogadott”),**

  Please note that this requirement is not only for applicants but for Scholarship Holders as well; it means that, e.g., if you obtain Hungarian citizenship or refugee status during your studies in Hungary, you automatically lose your scholarship status.
- Applicants with a citizenship different from the sending country/territory. For example, only Brazilian citizens can apply through the Brazilian Sending Partner.

  - self-financed master students of a Hungarian higher education institution cannot apply for bachelor studies, and
- Those former Stipendium Hungaricum Scholarship Holders who were **awarded scholarships for full degree studies** and who

- are now re-applying for full degree or partial (exchange) studies **in the same cycle of education** (non-degree studies, bachelor, master, one-tire master level) – **(therefore, those Stipendium Hungaricum Scholarship Holders can apply for the programme who apply to continue their studies at a different cycle of education, e.g. bachelor Scholarship Holders can apply for master studies!)**
- or who are now re-applying for the programme for any cycles of education while they still have a scholarship status at the time of application (unless they withdraw their former scholarship before the application deadline) and will not receive their degree until 31 August 2021

➢ Those former Stipendium Hungaricum Scholarship Holders who were **awarded scholarships for partial (exchange) studies** and who
- are now re-applying for partial (exchange) studies in the same cycle of education (non-degree studies, bachelor, master, one-tire master level) – (therefore, those Stipendium Hungaricum Scholarship Holders can apply for a different cycle of education, e.g. former bachelor Scholarship Holders can apply for master partial (exchange) studies if they are now master students in their home countries!)

➢ Those former Stipendium Hungaricum Scholarship Holders who were awarded scholarships in the the 2020/21 application round, but after accepting their scholarship, did not travel to Hungary and did not start their studies, nor did they notify Tempus Public Foundation of this fact.

Please note that it is only possible to re-apply for full degree scholarship studies in the same cycle of education if the former Stipendium Hungaricum Scholarship Holder was previously awarded partial (exchange) studies. Even in this case, the length of the full degree scholarship shall be reduced by the length of the previous partial (exchange) studies.

Important note for self-financed students already studying in Hungary:
Those applicants who are **registered self-financed / fee-paying students** of a Hungarian higher education institution at the time of the application deadline **AND** who are now applying for the same study level are only eligible to apply for the Stipendium Hungaricum programme if

➢ they are recommended by their Hungarian host universities where they are studying at the time of application, AND
➢ if their cumulative, corrected sum average (“összesített korrigált kreditindex”) is higher than the students’ average performance in the particular study programme (“szakátlag”).

For example, self-financed master students enrolled in Hungary can apply to continue their studies with the scholarship on the same master level only if they are recommended by their university and their cumulative, corrected sum average is above average. Please see further details about the optional application documents in Section 3.2.3. of the Call for Application.

2.3. Available Host Institutions and Study Programmes

At this levels, 31 Hungarian higher education institutions are engaged in the Stipendium Hungaricum Programme for the 2021/2022 academic year with more than 350 study programmes in foreign languages (more than 300 of them in the English language). Study programmes are generally available in the English and Hungarian languages, with some programmes offered in German and French as well.

The available study programmes and Host Institutions are accessible in the online application system (https://apply.stipendiumhungaricum.hu/).

Please note that you can only apply for these study programmes within the frameworks of the Stipendium Hungaricum Scholarship Programme.

Applicants are eligible to apply only for those scholarship types and study fields that are determined in the educational cooperation programmes in effect between Hungary and the specific Sending Partner. **Please see Annex 1 for the full list** of available study fields regarding your sending country.

2.4. Order of Selected Study Programmes

In addition to the first choice of study programme, there is an opportunity to apply for an additional, second study programme. Therefore, each applicant can apply for **up to TWO different study programmes, in order of preference.** These two study programmes can be both at the same Host Institution and at different Host Institutions; it is the applicants' decision.

The order of preference is essential. During the application process, the first selection and examination process will be conducted for the study programmes selected as the first choices of the applicants. The first priorities will be considered first and then, **only the remaining free places will be filled with those applicants who are not approved for their first choice of programmes**. In this way, the chances of receive the scholarship are relatively higher for the study programmes selected as first choices because there are more free places at that time.

Please note that after submitting the application, the selected programmes (including the study language and the study mode!) and the order of preference cannot be changed by the applicant! We strongly advise all applicants to carefully check the minimum entry requirements of the study programmes and take time to decide on the order of the two programme preferences. We also highly encourage the applicants to increase their chances of receiving the scholarship by apply for not only one but two study programmes in total.

2.5. Language of Study Programmes

Applicants are eligible to apply only if they meet the minimum language criteria set by the chosen Host Institution. Please visit the online application system (https://apply.stipendiumhungaricum.hu/) to see the exact language criteria for each study programme!

Note about language choice in the online application system:
The study programmes are listed as foreign language programmes in the online application system by default. However, if you wish to study in Hungarian language, you need to answer the "Do you speak Hungarian and plan to perform your studies in Hungarian?" question on the application form with "Yes, I speak Hungarian and I would like to study in Hungarian." If you select this, you can only be considered for studies in Hungarian language, therefore please be cautious when filling out the online application form.

2.5.1. Studies in English or Other Foreign Language

Students shall have a level of proficiency in the language of education as required by the Host Institution. The applicants need to directly apply for the study programmes in the online application system.

2.5.2. Studies in the Hungarian Language

Those applicants that have at least intermediate (B2) level knowledge of Hungarian can apply to Hungarian study programmes directly. A copy of the proof of at least a B2 level knowledge has to be uploaded as part of the application in the online system. Please note that if you apply only to Hungarian study programmes directly, but fail to upload the proof of at least a B2 level knowledge of Hungarian, you cannot be admitted to any places. If you wish to apply for a Hungarian language programme, you need to select your choice of programme in the online application system and answer the "Do you speak Hungarian and plan to perform your studies in Hungarian?" question on the application form with "Yes, I speak Hungarian and I would like to study in Hungarian."

Those applicants that do not have at least an intermediate (B2) level knowledge of Hungarian shall complete an obligatory one-year preparatory language course of Hungarian before starting their degree courses. For this, the applicants are usually required to have at least basic level of English proficiency. In the online application system, the applicants need to apply directly for the preparatory course (and NOT for the degree programme they wish to start after the language preparatory year). To see all Hungarian language preparatory courses and entry requirements, please check the online application surface (https://apply.stipendiumhungaricum.hu/)

2.5.6. Hungarian as foreign language

In the first year of their studies, Scholarship Holders are required to attend the course of „Hungarian as foreign language" offered by the host university, and to pass an exam at the end of the second semester (except Scholarship Holders studying in Hungarian language). Scholarship holders who do not attend the course will not be able to receive the monthly stipend (mentioned at 1.3.). The monthly stipend for students who take the course but fail to pass the exam will be reduced to 30,000 HUF/month.

2.6. Preparatory and Specialisation Courses

Besides full degree programmes, full-time non-degree programmes are also available within the programme in certain cases, for up to one year. **Please read this section if you are applying for study programmes in the field of Music or Engineering.**

Preparatory courses are non-degree programmes before starting a bachelor or master level degree programme at a Host Institution (both with the scholarship). Specialisation courses are non-degree programmes after completing a bachelor or master level degree programme, therefore it is for those who already have a degree.

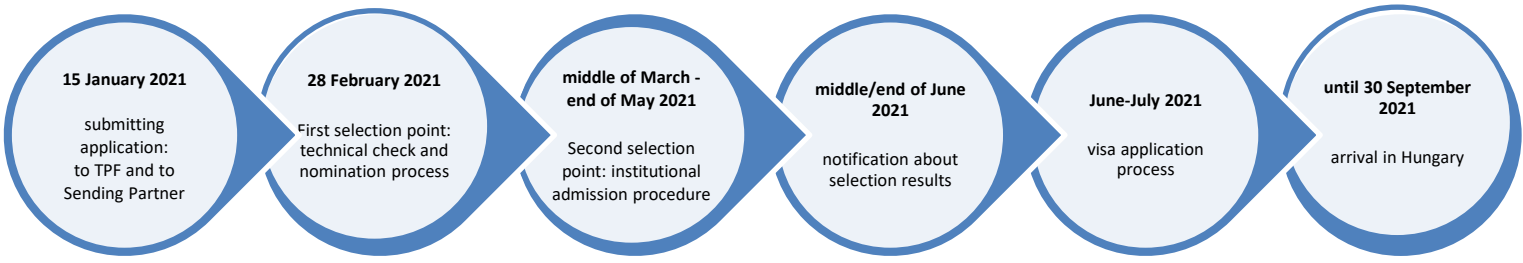

Regarding the preparatory courses, applicants can ONLY apply for Hungarian language preparatory programmes. Even these preparatory courses can ONLY be applied for if the student wishes to continue his/her degree studies at a Hungarian language programme after the preparatory year. After completion, it is not possible to continue the studies in English or other foreign languages. Please see Section 2.5.2. for further details about this.

However, ONLY in case of English language full degree study programmes in the field of Engineering and Music, during the institutional entrance examination process and based on the professional evaluation of the applicant, the Host institutions have the right to make the decision to admit the applicant for a preparatory course (up to 1 year) before they can actually start their full degree programmes. This is only available for a preparatory course before bachelor and master level programmes in the field of Engineering and Music. Applicants, therefore, cannot directly apply for preparatory courses in English language; it is always the Host Institutions' decision if a professional preparation year is necessary or not.

Specialisation courses conducted in the English language are ONLY available in the field of Music. Applicants should directly apply for these in the online application system. To see the specialisation courses and entry requirements, please check the online application surface (https://apply.stipendiumhungaricum.hu/)

3.5. Selection Procedure

3.5.1. First Round of Selection: technical check and the nomination of Sending Partner (January-February 2021)

Applications that are only saved in the online system, but not submitted, will be automatically rejected. The applications successfully submitted in Tempus Public Foundation's online application system are checked first. This is called a technical check and it is done by Tempus Public Foundation. During this step, we check the basic eligibility criteria; for example the age, citizenship, the previous scholarships, and check if the applicant has applied for a scholarship type and/or study programme that is available within the framework of the programme and that is available for the applicants of the particular sending country/territory. Also, we will formally check if the required documents are uploaded in the application system or not, and check if the Statement for Application is accepted in the system. However, it is the Host Institution that checks whether the uploaded files and their quality can be accepted and whether these documents meet their entry requirements or not.

Applicants will be automatically rejected during the technical check if they:

- do not successfully submit their application in the online system until 15 January 2021
- are Hungarian citizens, hold a Hungarian dual citizenship or they are persons granted a refugee status, enjoying temporary protection, admitted for subsidiary protection or granted humanitarian protection,
- have a citizenship that is different from the sending country/territory they apply through,
- were born after 31st August 2003 (except those applying for Dance study programmes),
- have submitted multiple applications with more than two study programmes
- have submitted multiple applications with more than one sending partner
- do not accept the Statement for Application (please see **Annex 3** for sample) in the online system, or they
- are former Stipendium Hungaricum Scholarship Holders or self-finances students at a Hungarian higher education institution in cases described in Section 2.2. about non-eligibility.
- were awarded the Stipendium Hungaricum scholarship for the 2020/21 academic year, but after accepting their scholarship, did not travel to Hungary and did not start their studies, nor did they notify Tempus Public Foundation of this fact
- provided any false information during the application process

These eligible and successfully submitted applications are forwarded to the responsible authorities of the Sending Partners for review and pre-selection. The exact methods and guidelines of the Sending Partners' selection are determined by the Sending Partners. After the selection decision of the Sending Partner, a nomination list, including a reserve list will be issued and forwarded to Tempus Public Foundation by the Sending Partner until 28 February 2021)

Applicants can only apply through sending countries/territories of their own nationality. Sending Partners can only nominate applicants with the same citizenship. Only nominated applicants will be considered for the second round of selection: the institutional evaluation.

3.5.2. Second Round of Selection: the institutional evaluation (March- May 2021)

The application materials of the nominated applicants (including the reserve list) are forwarded to the Host Institutions for professional evaluation. The institutions will also run a formal check first to

see if all the documents submitted by the applicants meet the requirements of the Call for Applications and the minimum entry requirements of the selected study programme(s).

Applicants with a valid, formally correct application that meet the minimum entry requirements can proceed to the institutional entrance examinations. Each applicant can participate in up to two institutional entrance examinations – in accordance with their submitted applications.

The exact date and method of the entrance examination vary by institutions. **Each applicant will be individually informed about further details (e.g., date of examination) directly by their selected Host Institution(s).**

As applicants can apply for up to two study programmes, **institutional examinations are conducted in two rounds**.

1. Applications for the first selected study programmes are considered first by the universities. The examination process for the first selected programmes can be expected between 18 March and 30 April 2021 however, the dates are indicative.
2. Applications for the second selected study programmes are considered afterwards. The examination process for the second selected programmes can be expected between 18 March and 20 May 2021 however, the dates are indicative.

Depending on the selected Host Institutions' schedule of examinations, it is possible that there will be no entrance examinations for the second study programme selected by the applicant – in case the applicant is already approved for the scholarship for the first selected study programme.

Note for applicants for Medical programmes: the field of Medical studies is one of the most competitive study fields in the Stipendium Hungaricum Programme due to the very high number of applications and the limited number of scholarship places. As a result, most of the Host Institutions are expected to fill all their medical scholarship places during the examination of those who applied for their programme as a first choice. As a consequence, applicants for Medical programmes can expect that the Host Institutions will not consider them if the programme is selected only as a second choice.

The applicants are evaluated on a 100 point scale. The final examination results and the examination points given by the Host Institutions are then forwarded to Tempus Public Foundation.

Important note: the required minimum to be achieved is 56 points (on a 100 point scale). No applicants shall receive a scholarship offer with an examination result below 56 points.

3.5.3. Allocation of Admitted Applicants (May-June 2021

Tempus Public Foundation is responsible for the allocation of the applicants. In case of all countries participating in the programme, the allocation of the applicants and the selection of Scholarship Holders depend of the allocation principles described in the Operational Regulations (see **Annex 2**) of the programme. In general, the principles are prioritized in the following order:

1. the content of the relevant bilateral agreement in effect between Hungary and the Sending Partner,
2. the capacity (minimum and maximum number of available places) of the university's specific study programme (you can check it in the online application system: https://apply.stipendiumhungaricum.hu/),
3. the preference order of the selected study programmes on the application form (please read Section 2.4 carefully),

4. the examination results (100 points maximum) given by the Host Institutions and the ranking order of the applicants on the Sending Partners' nomination lists

Apart from these, priority is given to

- exchange/partial study applicants whose sending home universities have a valid cooperation agreement with the Hungarian host university that they are applying for.

In the case of medical programmes, the number of eligible applicants from the same country may be limited due to the limited number of places offered by the medical universities participating in the Stipendium Hungaricum programme.

Applicants can receive one of the following statuses:

- approved Scholarship Holder, or
- conditionally approved Scholarship Holder (in case any missing documents need to be uploaded), or
- approved on waiting list (can only be approved if Scholarship Holders withdraw), or
- rejected.

The application of a person identified by the competent national security services as a potential risk, can be rejected by the Board of Trustees of the Tempus Public Foundation.

The applicants will be informed about the application results around the middle/end of June 2021 (please see timeline at Section 3.4.3). Please note that applicants can expect only one information email from Tempus Public Foundation about the results. Depending on the allocation results, applicants can expect this letter anytime throughout June and July; therefore, we would like to ask for your patience. Please note that we are not able to reply to individual requests asking for the results and all applicants will be informed via the online system.

3.6. Acceptance of the Scholarship

Those who do not accept their scholarship until the deadlines below are automatically considered withdrawn from the scholarship.

Applicants who are awarded the scholarship shall not receive Scholarship Holder status if they:

- withdraw from the scholarship in writing (sent to both Tempus Public Foundation and the Host Institution) or via the application system, or
- fail to upload their missing application documents until 1 August 2010, or
- fail to accept their scholarship until the given deadline, or
- do not hold a secondary school graduation certificate until 1 August 2021 or
- withdraw their data protection (GDPR) consents, or
- provided false information during the application process.

3.6.1. Acceptance of Scholarship for Approved Scholarship Holders

In order to gain a Scholarship Holder status, approved applicants must accept their scholarship and consent to the Operational Regulations of the programme (see **Annex 2** for the Operational Regulations) in the online application system **within two weeks after receiving the notification e-mail about the application decision, but no later than 1 August 2021**

3.6.2. Acceptance of Scholarship for Conditionally Approved Scholarship Holders

If the applicant is conditionally approved because they have any missing documents that could be uploaded after the application deadline, all these missing documents need to be uploaded via the online system immediately after receiving all documents (and after receiving the notification about the conditional status), and no later than 1 August 2021. Please see details in Section 3.3. about missing documents.

The conditional Scholarship Holders are only able to accept their scholarship in the online system if all missing documents are uploaded first.

After uploading all missing documents, conditionally approved Scholarship Holders must accept their scholarship and consent to the Operational Regulations of the programme (see **Annex 2** for the Operational Regulations) in the online application system **within two weeks after uploading the missing documents, but no later than 1 August 2020.**

4. Studying in Hungary

Any possible changes in the entry and enrollment system due to the COVID-19 pandemic situation will be posted on our website: https://stipendiumhungaricum.hu/. Please consult the website regularly.

4.1. Visa Applications

You are requested to **start your visa application process immediately** after receiving the positive decision about the scholarship. Officially, it may take 30 days until a visa is issued. In order to apply for visa to Hungary, you need to contact the competent consular office. For more information please contact the website of the Hungarian Ministry of Foreign Affairs and Trade (www.kormany.hu/en/ministry-of-foreign-affairs-and-trade/missions and http://konzuliszolgalat.kormany.hu/en) and the Directorate-General for Aliens Policing (http://oif.gov.hu).

Please note that the citizens of some countries do not need a visa to enter Hungary due to the Visa Waiver Agreements. At the time of writing, these countries include: Albania, Argentine, Bosnia and Herzegovina, Brazil, Chile, Colombia, Georgia, Israel, Japan, Malaysia, Mexico, Moldova, Montenegro, North Macedonia, Panama, Paraguay, Peru, Republic of Korea, Serbia, Singapore, Ukraine and Uruguay – as well as the passport of the special administrative territory of Hong Kong and Macao.

Please make sure to visit the Consular Services website for up-to-date information about your country: http://konzuliszolgalat.kormany.hu/visa-waiver-agreements.

Please note that the Scholarship Holder status does not automatically guarantee a visa.

4.2. Arrival and Enrolment

We highly recommend all applicants to visit our Study in Hungary website (www.studyinhungary.hu) for detailed information about life and education in Hungary. As mentioned in Section 1.3, please also check the expected living expenses with our Cost of Living Calculator.

Scholarship Holders are required to inform the Stipendium Hungaricum coordinator of their Host Institution (please see contact details on our website) about their expected date of arrival 30 – but not less than 15 – days before arrival.

Successful applicants are expected to make their own travel arrangements to Hungary – no financial provisions will be provided for travel expenses by the Hungarian side. In accordance with current legislations, Scholarship Holders are entitled to be exempt from the payment of any fees related to their admission to Hungary. No visa, administrative services or additional contribution is given to family members or accompanying persons.

Please note that the Stipendium Hungaricum Scholarship Programme does not fully cover all upcoming costs of the Scholarship Holder. It means that the students need to add their own financial resources in order to cover all living expenses in Hungary. All applicants are highly advised to check the expected living expenses both in Hungary and in the city that they wish to live in before applying; please do check our Cost of Living Calculator by clicking here: http://www.studyinhungary.hu/living-in-hungary/menu/your-costs-of-living.html

Scholarship Holders are expected to obtain their visa, arrive in Hungary and **register at the Host Institution no later than 30 September 2021** (for study programmes starting in the Autumn Semester) – or the date set by the Host Institutions. The applicant who is granted the scholarship must enrol to the Host Institution in the semester in which she/he was granted admission.

In principle, it is **not possible to postpone the start of the scholarship studies** to another semester or academic year – except for very special, unforeseeable, force majeur cases described in the Operational Regulations, with the special approval of Tempus Public Foundation. Therefore, in principle if the Scholarship Holder does not enrol until 30 September 2021– or the date set by the Host Institutions, she/he will be automatically excluded from the scholarship programme.

Please note that Scholarship holders will take part in medical examinations organized by universities upon their arrival (it is free of charge for Scholarship holders).

4.3. Rights and Obligations

4.3.1. Operational Regulations, GDPR and Student Contract

All Scholarship Holders are bound by the Operational Regulations of the Stipendium Hungaricum Programme. Please make sure to read it carefully in Annex 2. The following text contains extracts from the Operational Regulations; however, all Scholarship Holders must read the full text of the regulations.

Scholarship Holders are required to sign a scholarship contract with the Host Institution including study-related details and the rights and obligations of the Scholarship Holders (see sample on our website or at the end of the Operational Regulations).

The Stipendium Hungaricum scholarship is a contribution to the living costs of the Scholarship Holder only, therefore – within the framework of the programme – visa-related assistance, additional allowance and administrative services are not provided for any accompanying people or

family members. The legal entity of the scholarship contract is exclusively the Scholarship Holder and the Host Institution.

The Scholarship Holders are expected to follow the regulations of the Host Institution and continue their studies in good faith, to the best of their abilities, in order to meet the academic requirements of the study programme and thus finish the programme successfully. By accepting the scholarship, the Scholarship Holders agree to participate in the alumni system of the programme that supports the maintenance of relationships with the Scholarship Holders and facilitates the flow of information – such as the alumni website, alumni events and surveys about the satisfaction of students, career monitoring, and the evaluation of research activities.

Please note that the Scholarship Holder students generally complete 30 credits in a semester; therefore, we suggest to register courses with at least 30 credits in total. Please also note that if the Scholarship Holder does not complete at least 18 credits on the average during the last two semesters with an active student status (in total 36 credits), their scholarship status shall be terminated.

Please note that the Operational Regulations of the Stipendium Hungaricum Programme can be subject to change, and the Scholarship Holders are always bound by the prevailing regulations at any given time.

Please note that, in accordance with the General Data Protection Regulation (GDPR) in European Union law, all applicants need to give consents regarding data protection and accept the Privacy Policy (see Annex 4) in order to be able to submit an application. These consents appear in the online application system after registration.

4.3.2. Staying in Hungary

Scholarship Holders are obliged to live and study in Hungary; therefore, they are not allowed to live habitually in any other country during the study period, otherwise their scholarship holder status will be terminated.

4.3.3. Other Scholarships and Double Financing

As the Stipendium Hungaricum scholarship covers the entire period of the studies, the Scholarship Holders are not entitled to use financial support for getting enrolled in full time or partial (exchange) study programmes outside Hungary (e.g. Erasmus +, CEEPUS, Campus Mundi). They can only participate in conferences or research activities that are professionally relevant for their studies. These activities should not exceed 10 days or in any way prevent the student from habitually living in Hungary.

Applicants are also not eligible to receive the Stipendium Hungaricum scholarship in case they have another concurrent scholarship from the Hungarian central budget for studies in Hungary. If the Scholarship Holder was awarded more than one scholarship, she/he has to choose one of the scholarships and withdraw from the other ones. However, the Host Institutions are allowed to provide additional financial support for the students on a social, performance-related, or other basis.

In accordance with the regulations of Government Decree 51/2007. (III. 26.), Scholarship Holders are entitled to be awarded with the National Higher Education Scholarship ("nemzeti felsőoktatási ösztöndíj")

4.3.4. Termination of Scholarship Status

The details and cases when the scholarship status is terminated are listed in the Operational Regulations of the programme (see Section IV. of **Annex 2**). It is important to highlight that– after the consultation with Tempus Public Foundation and in case the university does not have other interior regulations about this – the Host Institution has the right to terminate the scholarship status of the student **if the students does not complete at least 18 credits on the average during the last two semesters** (in total 36 credits) when she/he had an active student status.

In accordance with the Operational Regulations of the programme, the scholarship status is terminated if

- the student status of the Scholarship Holder is terminated by the Host Institution,
- the Scholarship Holder does not complete at least 18 credits on the average during the last two semesters with an active student status,
- the Scholarship Holder withdraws from the scholarship in writing (sent to both Tempus Public Foundation and the Host Institution),
- after accepting his/her scholarship, the scholarship holder does not travel to Hungary and does not start his/her studies (if he/she does not notify Tempus Public Foundation of this fact, he/she cannot apply in the next 3 years) Holder had obtained their degrees (or completed their non-degree studies) at the study programme supported by the scholarship,
- the scholarship holders have used up all their awarded scholarship semesters and had not submitted an extension request; or if they are not entitled for extension,
- the Scholarship Holder does not comply with the regulations of the programme regarding the obligation of living habitually in Hungary,
- the Scholarship Holder receives Hungarian citizenship (including those with dual citizenships), is granted refugee status ("menekült"), temporary protection ("menedékes"), or admitted for subsidiary protection ("oltalmazott") or granted humanitarian protection ("befogadott"),
- in other cases described in the Operational Regulations of the programme in effect.
